### ABOUT THE CRSP U.S. MEGA CAP INDEX

The CRSP U.S. Mega Cap Index includes the largest U.S. companies, with a target of including the top 70 percent of investable market capitalization. The index includes securities traded on NYSE, NYSE American, NYSE ARCA, NASDAQ, Bats Global Markets, and the Investors Exchange.

Reconstitution occurs quarterly after the market close on the third Friday of March, June, September, and December. The transition period begins after the close of the Wednesday (first transition day) after the second Friday of March, June, September, and December, and ends (final transition day) after the

close of the Tuesday after the third Friday of March, June, September, and December.

Founded in 1960 to develop the first definitive measurement of long-run market returns, The Center for Research in Security Prices (CRSP) has long been an integral part of the academic and commercial world of financial and economic research. Since its inception, CRSP has partnered with the investment industry to develop and maintain databases and market indexes that are widely used by academics and commercial practitioners.

Further, none of the content is intended to constitute investment advice or a recommendation to make (or refrain from making) any kind of investment decision and may not be relied on as such. The report is provided to you on an “as is” basis without warranties of any kind. To the fullest extent permitted by applicable law, the University of Chicago, CRSP, and its third-party suppliers hereby disclaim all express, implied and statutory warranties of any kind, including, but not limited to, representations and warranties regarding accuracy, completeness, correctness, merchantability, or fitness for any particular purpose, or any representations or warranties arising from usage, custom, trade or by operation of law. The University of Chicago, CRSP, and its third-party suppliers, assume no responsibility for the consequences of any errors or omissions. In no event shall the University of Chicago, CRSP or any of its third-party suppliers be liable for any claim arising out of or relating to CRSP-provided data or information, including, but not limited to, any decision made or action taken based on the use of the data or information or for any types of damages, including, but not limited to, direct, consequential, special, incidental, punitive or indirect damages, even if advised of the possibility of such damages.

The historical performance statistics of CRSP’s market cap indexes are based upon 10 years of backtest data from January 1, 2001, through March 31, 2011. Subsequent backtesting was completed with June 29, 2001, as the start date in order to align with the value and growth style indexes. As is common industry practice, CRSP backtest data does not include float shares. Descriptive statistics are based upon current index constituents. Backtest results are not indicative of future performance.
